**ATTENTION TO DETAIL  
AND A SPOTLESS REPUTATION.  
THAT'S NEXCLEAN!**

- Environmentally Friendly Deep Cleaning Solutions for the Healthcare Industry
- Clean and Restore Equipment Right In the Area of Use
- Comprehensive Reporting
- Marketing tools that promote the NEXClean Seal of Approval throughout your facility.
- 2017 Philadelphia 100 Award Winner

**ENVIRONMENTALLY FRIENDLY  
DEEP CLEANING SOLUTIONS  
FOR THE HEALTHCARE INDUSTRY**

*Our electrostatic disinfection process targets pathogens that can survive on surfaces for months, lowering your facilities risks and improving patient (and staff) satisfaction*

**COMPREHENSIVE REPORTING**

*NEXClean follows up every service with comprehensive reporting. Our software allows our customers to track our work in real-time, creating benchmark reports that verify your continued state of cleanliness.*

**WHY CHOOSE NEXCLEAN?**

**CLEAN AND RESTORE EQUIPMENT  
RIGHT IN THE AREA OF USE**

*NEXClean provides specialty cleaning solutions right where you need them the most - across your facility, including sensitive operating rooms, food and nutrition departments, or more unique locations like elevator tracks or cabs. You will be impressed by our attention to details. There's no wasted staff time moving equipment to and from a dirty loading dock.*

**MARKETING TOOLS THAT PROMOTE  
THE NEXCLEAN SEAL OF APPROVAL**

*The NEXClean Seal of Approval will help you promote your Healthcare Facilities commitment to infection control and the reduction of healthcare acquired infections to your patients and other stakeholders.*

**2017 PHILADELPHIA 100 AWARD WINNER.**

*Identifies and Honors the 100 fastest growing, privately held entrepreneurial companies in the Greater Philadelphia Region.*

*From small offices to large commercial facilities, we tailor our services to meet your unique needs. We are passionate about helping our customers solve their deep cleaning and infection control challenges.*

**Don't just replace your janitorial service - enhance it!**

Contact NEXClean today for a free facility evaluation.
