

# ELEVATOR DEEP CLEANING

COMMERCIAL CLEANING

- ✓ FREE walk through & assessment
- ✓ Environmentally friendly process
- ✓ Deep clean and polish all surfaces
- ✓ Tracks , floors and walls included
- ✓ Floor wax removal
- ✓ Preventative maintenance

## *First Impressions*

Often times, elevators and their cleanliness are the first impression someone has of a facility. We believe that **proactive and routine maintenance** leads to a first class appearance for your business.

## *3-Step Process*

1. Extract loose dirt and debris with heavy duty HEPA vacuums
2. Deep clean with high temperature vapor steam
3. Thorough wipe with hygienic microfiber towels

# ELEVATOR DEEP CLEANING
