

# EXTERIOR DEEP CLEANING

## COMMERCIAL CLEANING

- ✓ FREE site visit & assessment
- ✓ Commercial power washing
- ✓ Interior & exterior window cleaning
- ✓ Graffiti & chewing gum removal
- ✓ High rise applications
- ✓ Routine maintenance programs

### *First Impression*

The exterior appearance of your commercial building is the first impression a client gets of your business. First impressions are important. NEXClean can help provide the first impression that you deserve with our processes.

### *Safe Processes*

Dirt, mold and mildew are unsightly and difficult to remove. Our soft wash, low pressure system for power washing combines cleaning agents and hot water to safely remove what high pressure alone cannot.
